MOSSEL BAY MUNICIPALITY

NOTICE: WATER RESTRICTIONS

Notice is given herewith in terms of Section 21 of the Local Government: Municipal Systems Act, No. 32 of 2000 of the following Resolution E127-09/2019 taken by Council Meeting on 26 September 2019:

*"1. That in terms of Section 18 of the Water Services By-Law and the Mossel Bay Municipality Water Demand Management Policy the following restrictions shall apply as from **1st November 2019** to all users of potable water as the total available water supply has dropped to between 60% and 50%:*

1.1 Watering of gardens may only be undertaken for one hour per day between 18:00-19:00, two days per week. No irrigation systems may be used. Even numbered households ONLY Mondays and Thursdays. Uneven numbered households ONLY Tuesdays and Fridays. Watering with a garden hose may only take place if it is hand-held.

1.2 At sports fields, only the watering of cricket pitches, golf course greens and bowling greens is permitted for two hours per day. Tuesday and Friday mornings before 09:00.

1.3 No hosing of roofs, driveways and any other surface and no washing of vehicles with a garden hose will be permitted.

1.4 The filling of swimming pools at households are prohibited.

1.5 Accommodation establishments and hotels must lodge an application with the Municipal Manager for relief in this regard and to fill up their swimming pools.

1.6 Identification of areas with high water pressure and/or high water consumption for the installation of pressure reduction and/or flow lowering devices.

1.7 Effective awareness processes must be followed.

2. That if the total available water supply drops in volume to between 50% and 40% the following restrictions shall apply

2.1 No irrigation systems may be used.

2.2 No attached garden hose or automatic irrigation equipment may be used. Watering of gardens only by means of a bucket during the times determined in 1.1 above.

2.3 The approved tariffs for a dam water supply below 50% will apply.

2.4 No hosing of structures, roofs and driveways and no filling of swimming pools.

2.5 Stricter policing and implementation of complaint line and whistleblower's facility.

2.6 Consultation with bulk consumers in the industrial and business sectors as identified through the billing system.

2.7 Only the watering of golf greens, cricket pitches and bowling greens permitted. The watering of all other types of sports fields are prohibited.

2.8 Effective awareness processes must be followed.

2.9 Identification of areas with high water pressure and/or high consumption for the installation of pressure reduction and flow lowering devices.

2.10 Flow restricting devices will be installed in those households using more than 20kl of water per month and the cost thereof will be for the consumer.

2.11 Fines will be issued for transgressions of these water restriction measures when the total available water supply drops below 50%.

3. *That in terms of the Water Demand Management Policy the Municipal Manager in consultation with the Executive Mayor be authorised to implement or waive the above restrictions and any additional control measures as may be required depending on the circumstances prevailing at the time.*

4. *That a water resilience task team consisting of Executive Management and members of Mayoral Committee be formed to assist the Municipal Manager and Executive Mayor in taking decisions around water conservation and demand management during the drought period.*

5. *That it be noted that only indigent households will receive 6kl of free water per month when the dam level drops below 30%.*

6. *That the Director: Infrastructure Services prioritizes interventions to reduce water leakages and non-revenue water.*

7. *That the Director Infrastructure Services implements measures to effectively manage groundwater resources in the rural areas.*

8. *That any contravention of these restrictions be deemed to be an offence in terms of Section 102 of the Mossel Bay Municipality Water Services By-Law and that it be acted upon accordingly.*

This notice is open for public inspection during office hours at the Municipal Offices and Libraries in Mossel Bay, Hartenbos, Herbertsdale, Great Brak River, Friemersheim, Kwanonqaba and D'Almeida and on the municipal website, www.mosselbay.gov.za.

Any enquiries may be directed to Mr. E Louw on telephone number 044 606 5270, by e-mail: elouw@mosselbay.gov.za or Mr. T van Zyl on telephone number 044 606 5273, by e-mail: tvanzyl@mosselbay.gov.za or fax number 044 606 5062.
